A globe of Earth is centered in the frame, showing the Americas. The globe is set against a dark blue, starry background. Overlaid on the globe is the text "THE END" in a large, bold, glowing orange font. The text is positioned horizontally across the middle of the globe, with "THE" on the left and "END" on the right. The glowing effect of the text makes it stand out against the blue and green of the Earth.

**THE END**
